

Big Welcome Extended to Gen. DeGaulle

By JOHN M. HIGHTOWER

WASHINGTON (AP) — President Eisenhower enthusiastically welcomed French President Charles de Gaulle to the United States today amid the colorful pomp and ceremony of full military honors.

De Gaulle flew in from Toronto for four days of talks with Eisenhower on strategy for next month's meeting of Western leaders with Soviet Premier Nikita Khrushchev.

His special Air France Constellation airliner landed at 11:59 a.m. at National Airport.

Eisenhower had been waiting for five minutes in warm sunshine under a blue sky to greet him.

In an arrival statement, De Gaulle said:

"A grave international debate is going to take place in three weeks. Before joining this debate on behalf of France it was indeed necessary that I converse with the President of the United States."

The President welcomed De Gaulle as "a man who in war and peace has proved such a great friend of all those who love human dignity and are dedicated to the welfare of human beings everywhere."

From the airport, the men moved out in a motorcade for the government guest house where the French President and Madame de Gaulle will reside during their visit here.

For the ceremonial airport welcome, an honor guard was drawn up at present arms and a battery on the far side of terminal building fired a 21-gun salute.

An army band played the national anthems of the two countries — first "The Marseillaise" and then "The Star-Spangled Banner."

The two old generals, in civilian clothes, stood rigidly at attention.

During De Gaulle's inspection of the honor guard, made up of men from all the U. S. armed forces, the crowd of spectators broke into applause.

De Gaulle waved, raising his right hand in a half-salute.

De Gaulle and Madame de Gaulle spent four days in Canada. After their stay here, they will visit New York, San Francisco and New Orleans before leaving the country.

Eisenhower arranged to greet De Gaulle personally at National Airport at noon and lead him through a colorful military reception complete with a 21-gun salute.

The President was then to escort De Gaulle and his wife in a slow moving motorcade to the official guest house across from the White House where they will stay during their four-day state visit. Thousands of flags lined the parade route and thousands of government workers were assured of lunch hour time to crowd the sidewalks.

Seventeen bands were assigned positions on the route and thousands of French and American flags decorated the lamp posts. Units of the Army, Navy, Air Force and Marine Corps were assigned to participate in the airport ceremonies and in the parade.

De Gaulle came here from a four-day visit to Canada. Tuesday morning he will fly to New York, San Francisco and New Orleans before leaving the country. This is his first visit to the United States in 15 years.

Four hours after De Gaulle's arrival Eisenhower and he were scheduled to start the first of a series of pre-summit strategy talks. On some issues they hold sharply differing views.

Outstanding among their disagreements is the question of how to deal with the Soviet Union on the issue of Berlin. De Gaulle says this East-West dispute should be dropped from summit discussion in the interest of trying to avoid a deadlock at the outset. Eisenhower feels it is the most critical problem slated for negotiation with Soviet Premier Nikita Khrushchev.

The Board of Health and the Medical Society already had pledged their support to such a program in Arkansas. The three agencies will ask for an appropriation for the Division of Tuberculosis Control in the state Health Department.

Police Keep Order as Klan Erects a Cross

By THE ASSOCIATED PRESS

A cordon of policemen kept Negroes and white persons separated in Macon Thursday night while robed members of Ku Klux Klan, Inc., erected a red-bulbed electric cross at a house occupied by three Negro families.

The Klansmen were protesting renting to the Negroes of a converted brick store building in the previously white neighborhood.

The meeting was orderly and no incidents were reported. Several hundred persons—white and Negro—assembled to watch the demonstration.

Antisegregation demonstrators were on the march again Thursday in Atlanta and Greensboro, N.C.

Twenty neatly-dressed students, white and Negro, paraded for an hour in front of Rich's, Atlanta's largest department store. They bore signs decrying the store's separate, but equal, eating facilities.

Police arrested 43 Negro students and two white girls for refusing to leave a variety store lunch counter in Greensboro, N.C. All were photographed, fingerprinted and released for trial Wednesday.

In Little Rock, Arkansas Judge Quinn Glover fined and sentenced eight Negro college students for sit-in demonstrations against segregated lunch counters at two main street department stores. All filed notice of appeal and remained free on bond. Each was fined \$250 and given 60 days in jail for violating a new state law against peace disturbances.

A white jury in Raleigh, N.C., convicted two Negro students on trespass charges. The students had sought service at a variety store lunch counter reserved for white patrons.

At Durham, two North Carolina college students were convicted in Recorder's Court as a result of incidents occurring during the past week.

An organization claiming representation of 4,000 students at Negro Atlanta University Center, said it is launching an economic boycott. It called for public support of its so-called selective buying campaign. The attack will be directed, the committee said at stores engaging in discrimination against the races — both in employment and service.

10,000 Korean Students Walk in Protest

By GENE KRAMER

SEOUL, Korea (AP) — An ex-premier today urged President Syngman Rhee to dump Vice President-elect Lee Ki-Pong, target of anti-government rioting. He indicated Rhee is considering this action.

The ex-premier, Y. T. Pyun, spoke with a reporter after a conference with Rhee at the end of another tense day during which 10,000, teen-age students demonstrated in the nearby port of Incheon.

Pyun said Rhee has a definite plan for solving South Korea's grave political crisis. "He has formed certain ideas in his mind regarding what to do," Pyun said. "His ideas are roughly along my lines."

Pyun, formerly a close associate of Rhee, has become increasingly critical of the government's domestic policies. Now an English professor, Pyun has been mentioned as a possible member of a reshuffled Cabinet.

He published an open letter in a Seoul newspaper urging Rhee to discard Lee.

The Incheon demonstrators shouted for the resignation of Lee, declaring his election with Rhee March 15 was rigged. The youths smashed four windows in headquarters of Rhee's Liberal party.

Unlike the rioting Tuesday in Seoul and other major cities, there was no bloodshed. The police already severely criticized for killing protest marchers Tuesday—fired three blank shells over the Incheon demonstrators but otherwise made no attempt to disperse them.

The police even provided three water wagons for the students.

It was the third consecutive day of antigovernment demonstrations in Incheon. The port is not one of the five-Korean cities put under martial law Tuesday, when at least 125 persons were killed. Seoul and other centers in the near-riot against the government.

The general public was quiet in Seoul, though there were rumors that university students planned another big protest Saturday.

But in Seoul opponents of Rhee in the National Assembly scuffled for five minutes in the assembly chamber with deputies from the president's Liberal party.

The fight started when Defense Minister Kim Chung-Yul, explaining why the government imposed martial law during the rioting Tuesday, said:

"The students resorted to indescribably violence, murdered police, set fire to police stations and other government buildings."

"Tell the truth! Retract your statement!" shouted Chang Taek-Sang, an Independent.

Lee Pil-ho of the opposition Democratic party rushed to the rostrum and shoved Kim. Others dashed up, trying to calm Lee. Shouting and confusion followed. A recess was called and order was restored.

The assembly, in which the Liberals held 151 of the 231 seats, formed a 20-man committee to investigate the national crisis. It also voted to give 20 per cent of its April salary to the families of those killed in the riots.

There was no indication from the 45-year-old president what action—if any—he planned to meet pressure from Korean opponents and the U.S. government for democratic reforms. He is trying to form a new cabinet to replace the 10 ministers who resigned Thursday.

The riots Tuesday were the culmination of nationwide demonstrations protesting the March 15 presidential elections, in which Rhee was elected to a fourth term and his Liberal party running Vice President John M. Chang, a Democrat, both by landslide margins.

Powell Tax Evasion Case Continues

NEW YORK (AP) — A federal court jury resumes deliberations today in the case of Rep. Adam Clayton Powell Jr., charged with income tax evasion.

The jurors—eight women, including one Negro, and four men—were locked up in a hotel overnight after they reported to Judge Frederick van Pelt Bryn that they had been unable to reach a verdict.

The judge said at 10:15 p.m. that the jurors, who received the case at 1 p.m., reported in a note that they had been unable to reach a decision "and since 3 p.m. have been deadlocked."

Powell, 51-year-old Negro Democratic congressman, is charged with falsifying a 1951 income tax return he filed for his wife, jazz pianist Hazel Scott. Miss Scott, who is estranged from Powell and has made her home in Paris for years, is not a defendant in the tax case.

Powell, if convicted, could get up to five years in prison and a \$10,000 fine.

During the trial that began March 8, the judge dismissed two of the three counts in the indictment on the ground the government had failed to substantiate them. The dismissed counts dealt with a joint return filed by Powell and his wife for 1952.

LITTLE ROCK (AP) — Army Engineers will open bids May 25 on a bank stabilization project at the Itansley Bar Cut-Off Control structures on the Arkansas River above the Jefferson County Free Bridge near Pine Bluff.

Mr. Melton spoke at 2 o'clock in the City Hall to a group of citizens from Murfreesboro, Nashville, Prescott, Lewisville, Stamps, Texarkana, Hope and Hempstead County, outlining the State Chamber's plan for "Operation Clean-up" for Arkansas during the month of May. "Although our program is aimed primarily at cleaning up the highways of dilapidated, unusable shacks and barns and automobile grave yards, we urge every community to take an inventory within its borders and make a diligent effort to clean up any unsightly areas," said Mr. Melton.

EVERYONE AGREED THAT THIS WAS A LONG OVERDUE program and each area represented pledged their support and assured Mr. Melton that the program would get underway in their area by May 15.

Will Make It Official Sat.; Lamb Is Out

LITTLE ROCK (AP) — Joe C. Hardin today apparently put himself definitely in the race for governor—except for his formal announcement.

That will come at a news conference tomorrow unless all signs fail.

Ted Lamb, Little Rock School Board foe of Gov. Orval E. Faubus, said he would not be a candidate for the governor's job.

If Hardin announces tomorrow, the 62-year-old farmer-businessman from Grady will become the fourth man in the race.

Faubus, seeking a fourth term, and Atty. Gen. Bruce Bennett have qualified as candidates.

Dr. H. E. Williams, president of Southern Baptist College at Walnut Ridge, has said that he will file late today.

Lamb's Little Rock advertising agency announced that Hardin will hold a news conference at his Grady home at 3 p.m. tomorrow.

It became known yesterday that such a conference was being arranged.

The advertising agency's participation in the matter led a newsmen to question Lamb.

Lamb said the agency didn't have a contract to handle campaign publicity for Hardin "at all, Mr. Hardin hasn't said anything yet"—but helped in the news conference set-up as a courtesy.

Asked about his own plans, Lamb said "I'm not going to file for governor."

Lamb several weeks ago said some persons had suggested he run for governor and that he was considering the matter. He never went beyond that.

LITTLE ROCK (AP) — Joe Hardin is expected to reveal whether he'll run for governor of Arkansas at a special news conference tomorrow.

Signs indicate the former president of the Arkansas Farm Bureau Federation will enter the race.

Hardin's name cropped up in a blaze of publicity this week. Gov. Orval E. Faubus, who seeks a fourth term, charged that "hard-core integrationists" held a powwow with the 62-year-old farmer-businessman of Grady and that Hardin was their choice for a gubernatorial candidate.

Yesterday, Hardin called the charge a lie. He made the statement after Faubus had told his news conference it was significant that no one denied his remarks about the integrationist meeting.

"I don't know whether there was such a meeting or not," Hardin said. "I do know that I did not attend one."

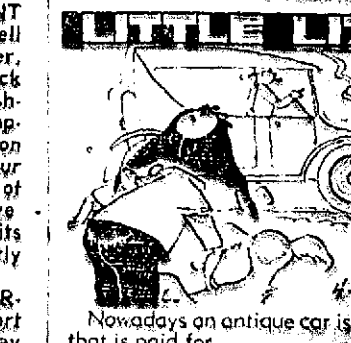

Faubus said the integrationist group was tied to Washington interests who are out to get him at the polls.

So far only Faubus and Atty. Gen. Bruce Bennett have filed for the gubernatorial race. Dr. H. E. Williams, president of Southern Baptist College at Walnut Ridge, was expected to file today.

Besides Hardin, others mentioned as possible candidates are Ted Lamb, Little Rock advertising executive and member of the Little Rock School Board; Eugene R. Warren, Little Rock attorney and attorney for the Arkansas Education Assn.; and Jimmy Driftwood, of Timbo, a nationally known ballad singer.

Driftwood, whose real name is Morris, said yesterday he is considering the race. He is a former school teacher and administrator and is well-known for his recording of "The Battle of New Orleans."

Filing deadline for the Democratic primary is Wednesday. Continued on Page Two

Joking Press Links Faubus, Daisy Bates

MEMPHIS (AP)—Gov. Orval B. Faubus of Arkansas and political big shots from Tennessee and Mississippi dined on pheasant last night and may have stomach aches today.

The political leaders were served the bird at the annual Gridiron Show on the Memphis Press Club. It was stuffed with their own images, uproariously distorted.

Faubus rocked with laughter as he sought the hand of Mrs. Daisy Bates, Little Rock's NAACP leader. He and Mrs. Bates were shown riding a bicycle built for two and singing:

"I'll gladly support the sit-ins, and even Dale Alford's wile-ins."

Mississippi's new governor Ross Barnett, was still in a deep campaign rut. He absent-mindedly shook hands through a conference with Sen. James Eastland (D-Miss.) and other officials.

Tennessee Senator Albert Gore and Estes Kefauver were roasted thoroughly. Amid a discussion of civil rights, Gore's stage counterpart was heard to sing:

"Well, I never felt more like singing the blues."

"Cause I never thought that I'd ever lose in the Senate. Why do they do me this way? The 525 diners seemed to enjoy the proceedings."

Sandy Point, on Bayou Bartholomew in Ashley County, has been the scene of many baptizing before and after the Civil War.

Faubus made one of two scheduled appearances in Memphis yesterday.

He cancelled a noontime address to the Memphis Jaycees. A union was picketing the downtown hotel where it was to be held.

The pickets were members of a hotel and restaurant workers local seeking to represent hotel employees. Faubus reportedly conferred with Arkansas Labor Commissioner C. C. Thornbrough before cancelling his appointment.

Faubus appeared last night at the annual Memphis Press Club's Gridiron Show. He and other political figures were kidded by newsmen in skills. A comedian imitating Faubus pedaled onstage with another newsmen imitating Little Rock NAACP leader Mrs. Daisy Bates, as his companion on a bicycle built for two. Faubus chuckled through the performance.

Nebraskans Buy 13,000 Acres of Land

HARRISBURG, Ark. (AP)—The Morrison-Quirk Grain Corp. of Hastings, Neb., became one of Arkansas' biggest farm operations yesterday when it bought 13,000 acres of Poinsett County farmland.

The purchase by the firm of the Weona, Ark., holdings of Jay Tschudy Jr., gave Morrison-Quirk 33,000 acres of Arkansas farmland.

The price was kept secret.

The land is in two sections—9,000 acres and 4,000 acres. All improvements and equipment were included in the sale. Of the total, 8,500 acres are in cotton and soybeans, 600 acres in second growth timber, and 4,000 acres are considered floodway.

In Kansas City, Tschudy said he assumed Morrison-Quirk will continue farming the property. It was the last of the Tschudy holdings in the state.

Last October, the Nebraska firm bought 20,000 acres of land from the Florida brothers of Osceola, Ark., for an estimated 1½ million dollars.

DOROTHY DIX

To Marry Or - Wait?

Dear Dorothy Dix:

I really don't know how to begin but I must tell someone who can't take sides. I am 18, a senior in high school, and have a well-paying job waiting for me this June. I go steady with a boy who will be 19 in a few months. is a senior in the same school as I am, and has a good job now

which will continue until graduation.

We have grown up together but only fell in love four years ago. I broke with him because I wanted to have fun with other boys. It took a few months' separation to show that I still loved him. When he told me he still loved me, I was the happiest girl in the world.

He has never touched me in any way except to kiss me. Yet lately we get aroused just sitting together. He has said, "I love you so much it hurts." I'm afraid to have him kiss me any more because he is the one who must pull away. There is constant tension between us. We are forever on edge.

His folks are crazy about me, and mine love him. My folks would let me marry him tomorrow and his mother would be very happy. His father would probably be against such a young marriage. So, what do I do?

We both come from well-to-do families. I have already told him that when I marry I must live with my parents for at least a few months. I can't leave my

mother alone. She is ill and needs help. He said he was one boy who would sure love his in-laws! Please print this. He will take your advice. — J.A.O.

Dear J.A.O.: If you honestly love one another, marry. Don't wait. The principle argument against an early marriage is lack of maturity. A boy of 19 and a man of 29 are two very different people. However, one shouldn't generalize. I know a girl of 14 who is far more mature than her 39-year-old mother. My grandmother was 16 when she married my grandfather. She lived for him, he for her, all 55 years of their life together.

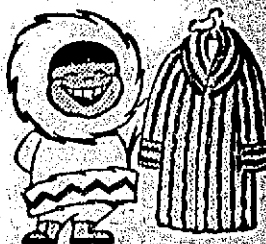

We Americans marry for love. But, unless you understand what love means, you're headed for trouble. It is a combination of many things; warmth of affection, sex, understanding, humor, tolerance, patience, belief, giving, receiving, sharing—the bad along with the good—sacrifice—one can go on ad infinitum. Don't let the biological urge cloud your judgment. Nature takes no cognizance of you as a human being. She has one objective—reproduction. Send a stamped, self-addressed envelope for my leaflets on "The Petting Problem" and "To Marry Or—Wait."

Dear Dorothy Dix:

My fiancé is in law school, and

hopes to graduate in June. He has been offered a position in Washington with a Government agency and wants us to get married right after graduation and move there to live. I'm very attached to my mother, and had hoped we could live near her.

CORVAIR BY CHEVROLET DRIVE IT! GET OUR DEAL!!!!

A pair of Corvairs recently recorded 27.03 and 26.21 miles per gallon in the 2,061.4-mile Mobilgas Economy Run. That's certified proof that Corvair skimps on gas costs. It saves other ways, too. Corvair is the only U. S. compact car that never needs antifreeze or costly radiator repairs. Come in and drive the compact car that outdoes them all.

Things Corvair gives you that America's other compact cars can't: Practically flat floor... real foot room for the man in the middle. Fold-down rear seat gives 17.6 cu. ft. of extra storage space. Four-wheel independent suspension for a smoother, flatter ride. Rear-engine traction... that comes with the engine's weight bearing down on the rear wheels. You probably realize already that the mileage figures Corvair recorded in the Mobil-

gas Run are higher than the average driver can expect. But because the cars met every kind of driving condition—rugged mountain grades, long country straightaways, congested city traffic—those mileage figures prove Corvair's inherent ability to save. Operating costs take a nose dive the day you take delivery of a Corvair.

Got Power But Sox Still Win by Run Margin

By ED WILKS
Associated Press Sports Writer

"We've got more power," said Manager Al Lopez of the Chicago White Sox. "So now we're slugging our way to death—by one run."

The White Sox won their first American League pennant in 40 years with 94 victories last season, and better than a third (35) of them were by one run. Winter deals for Minnie Minoso and Gene DeSantis and a spring swap for Roy Stivers were supposed to provide more power and make things easier this year.

So now the White Sox have played two and won two — and both have been put away by one-run margins, and in the last inning.

They beat Kansas City a second time Thursday, winning 6-5 on Ted Kuszewski's single in the 11th after winning reliever Gerry Staley had blanked the A's on one hit for five innings. That hoisted the White Sox into a first-place tie with idle Detroit.

The New York Yankees backed a four-hit shutout spun by rookie John Gabel and Ryne Duren with successive fourth-inning homers by Bill Skowron and Gil McDougald for a 4-0 victory at Boston. Rookie Dan Doback's three-run two-out homer in the ninth gave Washington a 6-5 victory at Baltimore Thursday night in the only other AL game scheduled.

In the National League the Milwaukee Braves beat Cincinnati on Carl Willey's four-hit, and the Pittsburgh Pirates whipped Philadelphia 11-5 with three home runs in the only games scheduled.

Skowron's home run, his first, came with two on against loser Bill Monbouquette. McDougald's cleared the left field wall at Fenway Park two pitches later. Gabel, 29, had worked no more than four innings in one stretch this spring and so gave way to Duren after allowing only three hits over seven innings.

Doback, a good bet to give the Senators the AL's rookie of the year for the third straight season, came on as a pinch runner in the seventh and teed off on losing Oriole reliever Jack Fisher (1-1) in the ninth after a pair of walks.

After Months a Rematch Is Certain

NEW YORK (AP)—After nine months of quarrels and investigations, claims and counterclaims, champion Ingemar Johansson and Floyd Patterson have signed for a heavyweight title rematch.

Today, Johansson is back in Geneva, Switzerland and ex-champion Patterson at his Newton, Conn., training camp. The next time they meet will be at the weigh-in for their second match at New York's Polo Grounds June 20.

The fight was signed and sealed at the offices of the New York State Athletic Commission Thursday.

Simultaneously with the signing was announcement that the high bid of TelePrompster, Inc., of \$700,000 for the closed-circuit television, radio and motion picture rights had been accepted by Feature Sports, Inc., promoter of the fight. The fight will be carried on closed-circuit TV only.

The ticket scale will range from \$10 to \$100, and Jack Fagan, official of the new promotional organization, beamingly predicted a million-dollar gate.

Pirates Show Power Through Home Runs

By ED WILKS
Associated Press Sports Writer

No National League club hit fewer home runs (12) than did the Pittsburgh Pirates last year, but now the Bucs have boomed nine in their first eight games, tops for the new season.

They rapped three while tagging 15 hits for an 11-5 job on the Philadelphia Phillies Thursday night.

Fact is, the only solo shot among the Pirates' nine was delivered by winning reliever Fred Green Thursday night.

The only other National League game scheduled was a pitchers' duel, with the Milwaukee Braves held to just three singles, beating Cincinnati 2-0 behind the four-hit pitching of Carl Willey.

In the American League, the Chicago White Sox gained a tie with idle Detroit for first place by beating Kansas City 6-5 in 11 innings. The New York Yankees beat Boston 4-0, and Washington defeated Baltimore 6-5.

Smith and Skinner broke Thursday night's game open against the Phils. After Pittsburgh had scored three off starter Curt Simmons and Humberto Robinson, and the Phils had tied it against rookie Jim Umbricht, Smith broke the deadlock in the fourth against Robinson, the loser.

Skinner then got an inside-the-park homer in a four-run fifth when his drive took a bad bounce over Bobby Del Greco's head in center field. Green, who needed saving relief from Roy Face in the seventh for his second major league victory, belted his first homer in the majors off Hank Mason in the sixth.

Young lefty Jim O'Toole (1-1) blanked the Braves on one hit until the seventh. Then Red Schoendienst, leading the league with a .45 average (10-for-22) in his comeback, got a hit off O'Toole's glove, went to second on a walk and scored on Hank Aaron's single. Mel Roach made it a two-run inning with a sacrifice fly.

State Wins in 14th Inning

RUSSELLVILLE, Ark. (AP)—Southern State College pitcher Bill Talley clinched a 14-inning five-hitter yesterday by driving in the winning run in his team's 3-1 baseball victory over Arkansas Tech.

Talley lifted a short fly to right center with two on and two out in the top of the 14th. The ball fell between the Tech fielders and catcher Gene McDonald scampered home with what proved to be the winning run.

The Southern State scored again when Tech relief pitcher Wilford Rose, the loser, walked Larry Shofield with the bases full.

Forrest City Favored in Track Meet

SEARCY, Ark. (AP)—State Teachers, Ouachita and Arkansas College are expected to fight it out for the college division crown in the first Harding Invitational relay track and field meet Saturday.

Forrest City's schoolboy powerhouse is favored in the high school division.

Nearly 300 athletes will crowd Harding's Alumni Field for the meet. Twelve high school and 12 colleges will send entries.

Finals are set for Saturday night. Preliminaries and some field trials are set Saturday afternoon.

The college division shapes up as a preview to the Arkansas Intercollegiate Conference meet in May. Co-champion Arkansas State Teachers will be out to even the season record with Ouachita. Ouachita has taken two meets from ASTC, while the Bears easily won the recent Tiger Relays at Little Rock.

A danger to both Teachers and Ouachita will be Arkansas State. Under coach Bob Denton the Indians have developed power in the sprints and field events.

Top competition is expected in the 100-yard dash between ASTC's Wilbur Owen and Ouachita's David Both, both of whom have turned in 10 flat clockings this year. Julius Head of Arkansas State has a 9.8 to his credit but has been injured recently.

In the hurdles events, AIC champion Bill Melton of ASTC and Lewis Walker of Harding will try to hold off ASTC's Frank Dicus and Arkansas State's Roy Nelson.

Donnie Kessinger, Forrest City's 3-sport sparkplug, led his team to victory in the recent Northeast Arkansas Relays and is expected to repeat the performance in the high school division of the Harding meet.

Kessinger set Northeast Relays records in the high jump at 5 feet 11 inches and in the low hurdles with a 20 second flat clocking. He also won the high hurdles and broad jump and ran on two winning relay teams.

Other high schools entered are Atkins, Newport, Bald Knob, Conway, Searcy, Benton, Earle, Wynne, Helena, Walnut Ridge and Harding Academy.

Rounding out the college division will be Oklahoma Christian College, Freed-Hardeman of Hen-

Lambert Is Advanced by Memphis St.

MEMPHIS (AP)—Dr. Eugene Lambert, one-time star athlete and later a coach and athletic director at the University of Arkansas, has been named athletic director at Memphis State University.

Lambert, 53, now basketball coach at the University of Alabama, will report to Memphis State May 1.

He coached basketball at Memphis State before going to Alabama and developed State into a top basketball power. His teams won 87 and 45 and twice made the NCAA tournament.

Lambert entered Arkansas in 1925 and starred in football, basketball, track and tennis and made All-Southwest Conference teams in football and basketball. He twice led the Razorbacks to league cage titles.

He went into high school coaching, then returned to Arkansas as head basketball coach and assistant football coach and was athletic director in 1942-43.

Engineer Native of Arkansas
LITTLE ROCK (AP)—The new executive officer of the Little Rock District of the Corps of Engineers is a Pocatonton native, Capt. Thomas Z. James, 33. He will take over May 1.

James has been assistant resident engineer at the Dardanelle Dam project on the Arkansas River since last August. His transfer, to succeed Maj. Carl F. Baswell, was announced yesterday. Maj. Baswell was transferred to the Tulsa District last month.

A New Pro Basketball Loop Assured

By CHARLES CHAMBERLAIN
Associated Press Sports Writer

CHICAGO (AP)—A new professional basketball league, keyed by Abe Saperstein and featuring such innovations as a player assignment pool rather than a draft, will be in operation for the 1960-61 season.

Saperstein, owner of the Harlem Globetrotters and part owner of the Philadelphia Warriors of the National Basketball Assn., was named acting president of the new American Basketball League Thursday.

Franchises went to Chicago, Los Angeles, San Francisco, Kansas City, Washington, D.C., and Cleveland.

Saperstein said he will be connected with the San Francisco club adding that he is undecided what he will do with his stock in the Warriors.

The little basketball impresario quickly spiked any speculation that Wilt Chamberlain will play in the new league. After a record-breaking rookie year for the Warriors, Chamberlain quit the club at the end of the NBA season last month. He has signed to join the Globetrotters' European tour in Paris this summer.

Saperstein said the new league's players will come from a pool of college seniors.

Saperstein said a league constitution, formation of a board of directors and other matters will be taken up at the next meeting within four weeks. Site of the meeting hasn't been decided.

Four other applications — from Portland, Ore., Pittsburgh, Vancouver, and Honolulu — will be considered for membership next year.

Declares Spa Is Breeding Lawlessness

HOT SPRINGS, ARK. (AP)—

Federal Judge John E. Miller declared from the bench today that Hot Springs has an atmosphere which breeds lawlessness.

"I don't know of any place as conducive to law violations as Hot Springs, particularly insofar as liquor and gambling are concerned," Miller said.

The judge made the statement while sentencing 13 liquor law violators.

Miller said he regretted having to make such a remark.

"I have attempted to stop some of the law violations," he said, and added that he hadn't met with much success.

This resort city is the home of Oaklawn Park horse racing track. Several plush gambling casinos operate from time to time, depending on whether various administrations make Hot Springs an "open" town.

Miller had more to say about the atmosphere of Hot Springs when he sentenced Robert L. John to three years imprisonment on charges of converting \$7,232 in federal income taxes to his own use.

Johns, a former employee of the Internal Revenue Service office here, pleaded guilty.

Miller said a number of persons had asked him to go easy on Johns, but told the defendant "you have yielded to the temptation that exists in this city" to use other people's money for gambling.

The Fort Smith jurist noted that Johns had offered to repay the

Trapped Climber on Way to Safety

TAIPEI, Formosa (AP)—A South Korean mountain climber was on his way to safety today after eight days trapped with a broken leg in a ravine in central Formosa's rugged mountains.

Kim Chi Huan fell into the ravine and broke his leg April 12. His companions stayed nearby, passing food and water down to the injured man, but they were unable to rescue him.

Local aborigines Wednesday helped extricate the mountaineer, and the party set out with Kim on a stretcher to a point where a helicopter was waiting to fly him to Taipei.

Humphrey's Aid Linked With Klan

NEW YORK (AP)—Sen. Robert C. Byrd, West Virginia Democrat who is spearheading a campaign for Sen. Hubert H. Humphrey of Minnesota in the West Virginia primary May 10, was identified today by the New York Herald Tribune as a former kinsman of the Ku Klux Klan.

The article, by David Wise of the Herald Tribune's Washington staff, quoted a letter it said Byrd wrote in 1946 to Dr. Samuel Green of Atlanta, Imperial grand wizard of the KKK.

"The Klan is needed today as never before and I am anxious to see its rebirth here in West Virginia," the letter was quoted as saying.

The letter also recommended a friend as kinsman, or organizer, of the Klan in West Virginia.

Wise said he interviewed Byrd in 1958 and again this week in Charleston, W. Va., and quoted the senator as saying in the 1958 interview: "I had been a kinsman in the Klan. This man came to me in 1946 and asked me to recommend him as a kinsman. I was no longer active at the time. So I wrote the Imperial Wizard, Dr. Samuel Green, in Atlanta and recommended the man as a kinsman. I shouldn't have done it."

Byrd was elected to the Senate in 1958.

Wise said he asked Byrd in the 1958 interview why he joined the Klan, and the senator replied: "The Klan was fighting communism."

Wise said that in this week's interview he asked Byrd, a Baptist, whether he would vote for a Catholic as president. Sen. John F. Kennedy is a Catholic.

"That is a matter which every individual, Catholic and Protestant, will have to settle in his own conscience. A lot depends on the particular individual who happens to be the candidate. Age has something to do with it, experience, and personal background," Wise quoted Byrd as replying.

Byrd has said that he favors Sen. Lyndon B. Johnson of Texas for the Democratic presidential nomination.

Frank Holt Files for Atty. General

LITTLE ROCK (AP)—Prosecutor J. Frank Holt of Little Rock qualified today as a candidate for attorney general—an office his older brother, Jack, held for three terms between 1937 and 1943.

The 49-year-old Holt is the only candidate so far.

Amis Guthridge, Little Rock attorney and segregationist spokesman, said he would have a statement in a few days. Guthridge once said he probably would oppose Holt.

Secretary of State C. G. Hall said that Guthridge telephoned recently to find out the cost of filing—\$600.

Holt could take a reduction in salary if he becomes attorney general.

He draws \$8,400 in the prosecutor's job, where he is finishing a third term.

The attorney general gets \$6,000 plus a personal expense account of \$1,800.

A proposal on the November general election ballot would raise the salary to \$12,000.

Holt, who announced as a candidate in February, paid his filing fee and submitted the required pledges.

Another filing for a state wide office was that of veteran Lt. Gov. Nathan Gordon, who yesterday qualified as a candidate for another term.

So far Gordon has no opposition.

AEA Attorney Eyes Governor's Race

LITTLE ROCK (AP)—Eugene R. Warren, attorney for the Arkansas Education Assn., said today he had been asked by several groups to run for governor.

The Little Rock lawyer would not identify the groups. Nor would he say whether he is considering the race.

Warren's office got a number of telephone calls from persons throughout the state urging him to run for governor just after he made a speech at an AEA meeting earlier this month.

In the address, Warren attacked proposed constitutional amendment 52 which will be on the November ballot. This measure would allow local option elections on whether schools facing integration should be closed and school funds distributed to individual students.

Warren assailed the proposal as a threat to the state's entire public school system.

9-Foot Ouachita Channel Proposed

WASHINGTON (AP)—A Senate Public Works Subcommittee is considering an Army Engineer proposal for a 9-foot navigation channel on the Ouachita River in Arkansas and Louisiana upstream to Camden, Ark.

The channel would replace the present 6½ foot channel. It would involve construction of new locks and dams at Jonesville and Columbia, Ark. It would replace four existing locks. Two other locks would be expanded.

The subcommittee, considering water projects to be included in a construction authorization bill, was told the federal cost is estimated at \$43,550,000. Local interests would pay \$1,440,000. Arkansas and Louisiana groups have urged appropriation of planning funds this year.

Also before the subcommittee are two other proposed Arkansas projects, McKinney Bayou flood control, federal cost \$346,000, and Manice Bayou flood control, federal cost \$668,400.

Governor Greets Italian Envoy

LITTLE ROCK (AP)—Gov. Orval E. Faubus is the newest friend of Alvaro Vito Beltrani, Italian consul for Arkansas.

After meeting the governor yesterday, Beltrani reported, "I liked him."

He added he found "tremendous will power" in Faubus. The gov-

Walker Gets Help For Her Hike

LOVELOCK, Nev. (AP)—Dr. Barbara More is getting help today for her hike to New York.

Dr. Moore, 56, traveled only 32 miles Wednesday after covering a startling 109 miles the day before.

Her motor-escort quit, leaving the vegetarian with a 20-pound pack for her latest stint.

When J. D. Hodges of Vallejo, Calif., heard of her plight, he offered his services as motor escort and was accepted.

Hodges, a retired Mare Island shipyard electrician, said he would accompany her all the way to New York.

About 40 miles ahead of Dr. Moore are two British sergeants who are also assailing the hiking record of 79 days.

Sgt. Patrick Moloney, 34, and Mervyn Evans, 32, left San Francisco a day ahead of Dr. Moore. They say she must have ridden part of her 109 miles Tuesday. The

doctor waved aside the assertion. In eight days of hiking, Dr. Moore has covered about 300 miles while the sergeants tramped over 400 miles in nine days.

BLESSEDNESS FOR ALL

By WILLIAM E. GILROY, D.D.

Comparisons of the Four Gospels would be as odious as comparisons are commonly judged to be. Each gospel has its distinctive quality and offering. The Gospel by St. Mark is the simplest and most direct. The wonders of the birth of Jesus are not there at all. It begins with the ministry and the works, and everything is "straightway." St. Luke's Gospel is the New Testament's supreme literary achievement; the gospel of the parables and of the incidents that enrich the ministry and human contacts of Jesus. The Gospel of John, so different, tells much that the other three gospels omit—the words of Jesus concerning, worship and truth, the intimate conversations with the disciples as the shadow of the cross loomed. The Gospel of Matthew is distinctive for two reasons — the story of the Birth of Jesus and the Sermon on the Mount, with its Beatitudes.

The Sermon on the Mount was probably a series of discourses that St. Matthew gathered together. It seems doubtful that they could all have been delivered at one time. The Beatitudes, however, stand as a distinctive part, such as today we would set up on a religious display card or booklet for daily contemplation. The pronouncements of blessings are distinctive not only for the subjects but also for the explanations, and the way in which the blessedness is expressed. Take, for example, the blessing upon the righteous. It is for those who "hunger and thirst after righteousness" — an intense expression of spiritual need in terms of actual bodily existence. It is in harmony with the zeal of Old Testament saints Aiming out.

"Search me, O God, and know my heart; try me, and know my thoughts; and see if there be any wicked way in me, and lead me in the way everlasting." (Psalm 139:23.) That, certainly, was the cry of a pure soul, the true type of spiritual hunger and thirst. Similarly is the preciseness with which the form of each promised blessing is expressed. It would seem that no human or spiritual need is omitted — the mourners, the meek, the merciful, the peacemakers and the poor in spirit.

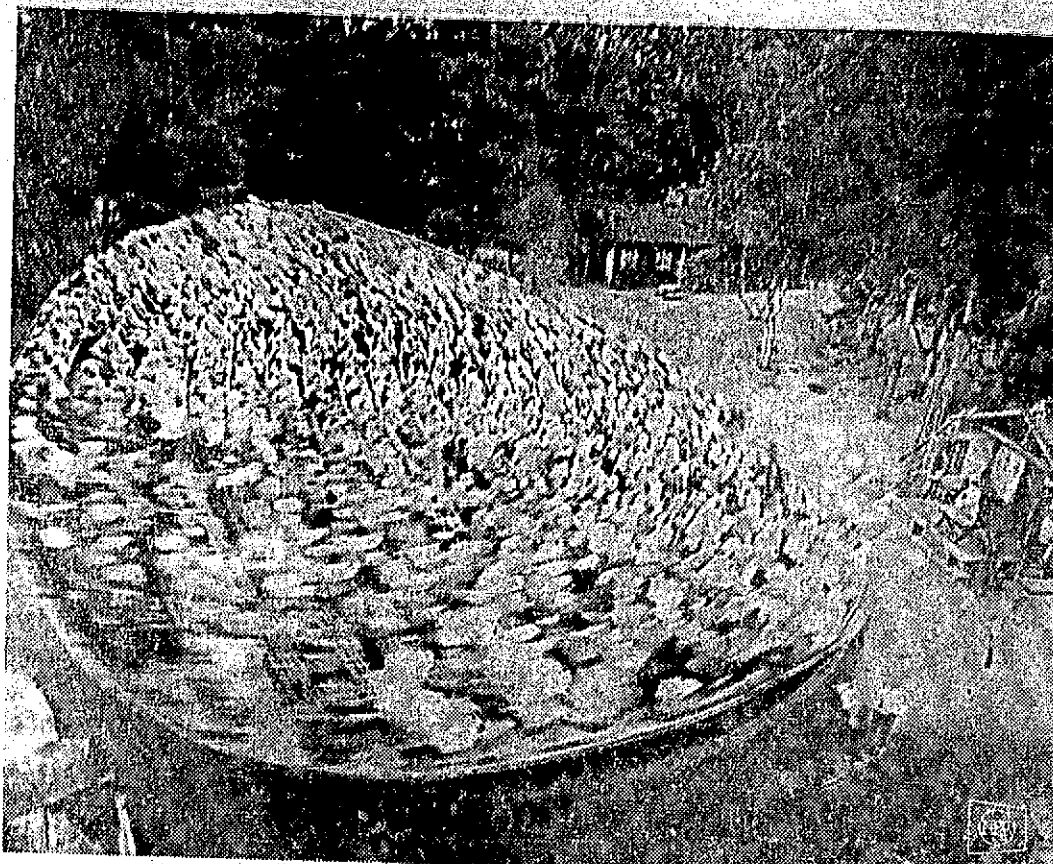

It is possible that our English translation does not bring out the richness or fullness of the original words. A French translation, make either the meek or the poor in spirit I have forgotten which the "debonnaire" — the gloriously carefree, as Jesus emphasized living in His exhortations for fearlessness and abundance of life.

The Beatitudes emphasize an aspect of the Bible that is perhaps not commonly stressed. It is doubtful whether a book of life and truth could have had such power, if it had been less rich in its expression. The Bible abounds in the qualities that universally have marked distinction and greatness in literature. Much of this reflects its East in origin and setting. Call attention to the fact that on a richness of symbolism.

Take, for example, Ecclesiastes 12, which is not untypical of much else scattered throughout the Bible. "The keepers of the house," "the grinders," "those that look out on the walls," "the silver cord," "the golden bowl," "the body with its parts, and its ultimate end," and what a way to express it.

A similar, but more distinctive is the fact that Jesus expressed the deepest truth concerning the human character and conduct in the form of stories and parables.

Of that I am sure, and wrote a little more to show it is the tragedy of Jesus' Christianity Testament and, in comparison, that it has made so much of the so little of the Parables.

C. Is there any advantage in running a display ad as compared to a word ad?

D. Are classified word ads effective?

E. Approximately how many people read the Hope Star classified section each day?

ANSWERS

A. A 1 column x 3 inch classified ad costs \$5.85 for three days. \$9.90 for six days.

B. You save \$1.80 by running the ad six days because the rate is lower on a six day basis.

C. Yes, there is an advantage in running a display ad. It is more easily read and catches the reader's attention at once.

D. Yes, classified word ads are effective. This is the most used method of advertising apartments and houses for rent. Word ads can be used in almost all types of businesses.
